## ALUMNI PRESIDENT'S CORNER

Hello Fellow members~

The month of June was a busy one for NCRAA. We had our 2<sup>nd</sup> Annual NCRAA Board Retreat where we had a great time fellowshiping and discussing the next phase of our system wide reorganization along with finalizing the details for our hosting duties for the 2010 International Honors Institute (IHI). Along with the retreat attendees, many alumni attended the Alumni Social at Chapman University sponsored by Phi Theta Kappa Headquarters where NCRAA honored former chapter and regional advisor Marilyn Lunde for her many years of service to Phi Theta Kappa with a couple of firsts, an honorary NCRAA membership and the new Regional Pin.

The day following the Alumni Social was IHI and our hosting duties. Yes it was hard work nevertheless it was rewarding. A **BIG** thanks to our NCRAA Team, the many donors and all the helpers who assisted over 400+ attendees in getting a great start to a wonderful week of fun and study!! There are very few organizations that can say "fun and study" and mean it, right?! I know that HQ was happy with the result and so were we. Have a terrific July!!!
